

# Attention Property Officers: Complimentary Session on the Eyre Peninsula!

Following our recent LG Leader article regarding the proposed changes to *the Retail and Commercial Leases Act 1995* as contained in the *Retail and Commercial Leases (Miscellaneous) Amendment Bill* (see article [here](#)), it is anticipated that the Bill will be passed by Parliament in the near future.

In anticipation of this important legislative change, Cimon Burke and Chris Woodard are pleased to be holding complimentary sessions for council property officers to provide a detailed overview of the proposed changes relevant for council leases. In addition to addressing the Bill, Cimon and Chris will discuss the implications for council lease negotiations both now and once the Bill becomes law.

We are pleased to announce that Cimon and Chris will be delivering one of these sessions locally on the Eyre Peninsula. Further details are below.

The session is relevant for all council officers who are involved in negotiating and managing council leases and licences. If you wish to attend the session, please email [info@kelliedyjones.com.au](mailto:info@kelliedyjones.com.au) to register.
