

Thought Leadership Forum

Don't miss your chance to gain key insights into the emerging issues that councils face with regards to governance structure, risk management and value for money propositions of Local Government Indemnity Schemes.

KelleyJones Lawyers, together with the Risk Management Institute of Australasia (RMIA), present this thought leadership forum to deliver the latest innovative management and community engagement solutions for South Australian councils.

Join our guest speakers including RMIA Chief Executive Officer Scott Ryrie, RMIA Director Brenton Scroop, Local Government Association Mutual Liability Scheme Manager Robyn Daly, Mayor of the City of Marion, Kris Hanna, Willis Towers Watson, Industry Leader - Government & Education, Josef Radinja and Tracy Riddle of KelleyJones Lawyers, as they explore industry insights and discuss local government procurement of risk and insurance.

This no cost, expert-led discussion, held at the award-winning Mayfair Hotel, is a chance to engage and explore insurance solutions through current experience and expert knowledge, both locally and interstate.

In depth analysis and discussion following the findings and outcomes of the Victorian Auditor General's Report and the South Australian Auditor General's Report into Local Government Indemnity Schemes will drive the afternoon's proceedings.
