# Legal Verification of Rates Declaration 2018/2019

---

**KelleyJones Lawyers** is, again, providing councils with the opportunity to enjoy the peace of mind that their rates declaration process will withstand scrutiny and, in a worst case, challenge.

As such, we continue to offer councils the following services:

- settling all aspects of the rate declaration process (recommendations to adopt the Annual Business Plan, Budget and valuations and declaration of all rates and charges);
- settling the Gazette notice; and
- settling the rates notice.

As you are aware, KelleyJones Lawyers has experienced practitioners who are the State's leading experts in these matters and who have provided this service for well over a decade.

Councils have until 31 August 2018 to finalise their rate declaration process to ensure compliance with legislation.
